

## **Casio to Implement the Competition Law Compliance Programme**

The Board of Directors of Casio Computer Co., Limited (Casio) is fully committed to ensuring that Casio, together with its subsidiaries, and its employees comply at all times with antitrust and competition laws.

Casio has an antitrust and competition law compliance programme in place to ensure that the Board's objectives can be achieved. The Board will ensure that it monitors Casio's adherence to the compliance programme and that it is implemented effectively.
